Letter No.1199/7-24, dated the 14th April,1931, from the Inspector of Schools, Coorg and Bangalore.

The Inspector recommends that the four pupils named by him may be exempted from the operation of the age restriction in Article 41(b) of the Code of Regulations for European Schools in the Civil and Military Station of Bangalore. There is no provision in the Code for such exemption. In Madras, under Article 157(b) of the Madras Code of Regulations for European Schools relaxation from age restriction is permitted.

If it is decided to accept the Inspector's recommendation, the question whether the Resident is competent to sanction an exemption from the operation of Article 41(b) requires consideration. Under Article 14 of the Code, the Resident may cancel or modify any articles or schedules of the Code or may introduce new articles. But all amendments involving a fundamental departure from the general principles on which the Code has been constructed requires the previous sanction of the Government of India. If the Resident is competent without the previous sanction of the Govt. of India to introduce an amendment to the Code providing for the exemption from the age restriction laid down in Article 41(b), then the exemption can be sanctioned by him.

If approved, the Pay and Accounts Officer, Bangalore, may be consulted.U.O.

in Mysore, Bangalore.

Sir,

I have the honour to state that the marginally noted pupils of St. Patrick's school and Orphanage, Bangalore, have been receiving boarding grants under rule 40 of the Code of Regulations for European schools. They will attain the age of 16 years during 1931-32 and so will not be eligible for the renewal of boarding grants under rule 41(b) unless specially exempted. The Correspondent of the school writes to me that the boys are in the VII standard and are being prepared for the Middle school examination to be held in November next, and that if the boarding grants given to them are stopped, he will have no other course but to send them away from the school. As the School is preparing candidates for the Middle School Examination for the first time, I think it will be very undesirable to send away the 4 pupils under reference and deprive them of the chance of passing the examination, which the Correspondent says they have. In these circumstances, I request you to be good enough to move the Hon'ble the Resident to exempt the pupils from the operation of rule 41 (b) of the Code of Regulations for European schools and permit me to sanction boarding grants on their behalf

during 1931-32.

This will not be regarded as a precedent. The question only arises as the school is taking this Examination for the first time this year. The difficulty is not likely in any case to occur again.

Sir,
